

Quarantine Plan Example:

Student: Student Example A

Travel Date: November 1st, 2020

Mandatory 14-day Quarantine Period: November 1st to November 14th, 2020

Flight Details:

Japan Airlines (flight #), departure at 09:00

Air Canada (flight #), arrival to YYJ airport at 14:00

Pre-Arranged Travel to Quarantine Location:

Upon arrival to the Victoria International Airport on November 1st, 2020, Student Example A will take a pre-arranged taxi to the quarantine location. Student Example A has been advised to wear a mask while in transit, sit as far away from the driver as possible, and ensure the travel is direct (no stops).

Pre-Arranged Quarantine Location:

Student Example A will travel to the Airbnb located near the institution on 456 Pandora Avenue. This private apartment is well-ventilated, clean, and has in-suite laundry, and a private bathroom and kitchen. The Student Services representative (Bleiddyn Bellis) has communicated with Student Example A via email about what foods and supplies they would like upon arrival.

Plans for Quarantine:

Student Example A will be in contact with the Student Services representative (Bleiddyn Bellis) twice daily. One communication will be on the phone, and the other on video chat (Facetime or Zoom). During these check-ins Student Example A will report on their health and symptoms, compliance with the 14-day mandatory quarantine period, and request any supplies, food, or support they are needing. Student Example A will follow the protocols outlined in the Safe Travel and Quarantine Protocol document.

Upon Completion of Quarantine:

Student Example A will need to report that they are symptom free and healthy enough to transition out of isolation. This will be communicated to the Student Services representative. On November 15th, 2020, if symptom free, Student Example A will be picked up by the new homestay host and taken to the permanent homestay residence.
